# HEROIC MINDS

WITH BEN FANELLI

Join us for an engaging and uplifting discussion with Ben Fanelli, where he will share his inspiring journey of overcoming adversity.

In a world full of life hacks and the pursuit of a better state of mind, we often experience burnout and distress. However, there's a place where you can effortlessly achieve the state of mind you desire. Tasks become adventures, you shift from being stuck in your head to being fully present, and you realize you have something to share.

TUESDAY, AUGUST 6TH  
2:00PM-3:30PM ET

Ben graduated with a Masters in Counselling & Psychotherapy and began building the Heroic Minds platform. Today Ben's mission is to remind the world that people have all the tools they need inside them to feel the way they want to feel. Ben is the host of the Heroic Minds Podcast
